

TRY THIS:
THE PRADA
PONY

We're obsessed with this bejewelled updo from Prada Fall 2015. Bonus: It's ridiculously easy to do.

- 1. Pull hair into a tight high pony.
 - 2. Use long bobby pins to fix the halfway point to your head on one side.
 - 3. Add random sparkly barrettes or brooches.
- Done!

FILE THIS UNDER "OMFG, FINALLY"

Cos opens its first Canadian outpost this month at 85 Bloor St. W. If you've shopped H&M's sophista sister brand in New York, London or Paris, you'll understand our nearly cross-eyed excitement. The line's minimalist pieces look (and feel) designer, but the accessible price point—around \$250 for a dress—means that you can go shopping, and, you know, pay rent.
